**There is also the option of submitting 10 post-dated checks, setting up automated withdrawals or automatic credit card debits from August 1, 2017 through May 1, 2018. [Note: credit card transactions will be assessed a 3% fee by our credit card processor]

Our Plans for Future Years

Our innovative educational model anticipates not increasing the cost of tuition beyond the rate of inflation. While the above tuition represents the 2017/18 school year, we expect all future grades to be priced similarly (in 2015-16 dollars). When WTA is at full capacity (Shorashim through 8th grade), it is expected to save our communities \$3M-\$5M per year compared to other local Jewish Day Schools!

Transportation

Here is the information we have on busing options to/from WTA from the following communities:

- New Rochelle – District bus service provided for students in Kindergarten-5th grade living 1.5 miles or more from WTA
- White Plains – Busing not provided out-of-district; for more convenience and better cooperation, parents have set up carpools. In addition, WTA will work with parents to provide private busing, if there is enough interest (cost TBD)
- Riverdale – Busing not provided out-of-district; WTA will provide private busing at a cost TBD
- Scarsdale – District bus service provided for students in Kindergarten and above living 1.5 miles or more from WTA
- Fleetwood/Mt. Vernon, Manhattan & Stamford – District Busing not provided out-of-district; WTA will work with parents to provide private busing, if there is enough interest (cost TBD)

When completing the Admissions Application, please select if you will require busing (rather than carpooling). WTA will be in touch with you as we work out our arrangements with the transportation providers.
